SKI DIRECTOR'S REPORT

Ladies and Gents,

Spring is here. So get out on the golf course, take a hike in the mountains or just smell the blooming flowers. Summer will be here before we know it so looking forward to the beach at the jersey shore.

But it is also a busy time for the Ski Director. The 2016 ski season is in full swing for me. I passed on a proposal for Mammoth Mountain (club was never there) in California due to the drought. Sun Valley (club there in 2005) in Idaho was next, but staying up at the Lodge or Inn was very pricey at over \$2,000. So I passed for that location. I am now working on

Banff (club there in 2005) in Canada as our next choice.

For Europe, I'm waiting on quotes for Morzine in the Portes du Soleil ski area spreading across France into Switzerland. I'm hoping to firm things up and crossing my fingers that the exchange rate works for us now.

At the recent Ski Show, I also asked a Travel Agent to work us up a quote for New Years in Quebec since New Years Day is a Friday and it would make a nice 4 night weekend. So stand by, announcements are forthcoming.

Hit'm straight and hit'm long.

Your Ski Director,

Ed Tideman

New York Spring Spectacular Show at Radio City

By Karen Bybel

On Sunday, April 12th, a happy group of 20 ventured into The Big Apple on a most beautiful Spring day for the new Spring Spectacular show at Radio City. Even before the show, we had a great time gathering at Rosie O'Grady's for beverages, snacks and socializing!

The Spring Spectacular is an all new show containing some super star power with Derek Hough (of Dancing With the Stars) and Laura Benanti (of ABC's Nashville and The Sound of Music Live) along with the famous Rockettes and a great ensemble of other actors and dancers. There was an interesting story line about an angel in NYC working to earn his wings. Lots of famous NYC sites and personalities were included in very clever ways and the multi-media effects were fantastic. They sang and danced in the rain (yes, really!) - we are all still wondering how they did that. Some audience participation was also mixed in and we even had our own individual blinking "jewelry"! Totally fun!

After the show, the group wanted to party on, so we headed over to Langan's for some additional beverages, snacks and socializing. Overall, a great day in the city for all!
