Let's take a break from our hectic schedules to wish each other a very happy and healthy holiday season!

Please join us for a festive evening with MCSC friends and guests!
GKG has a cash bar and a great bar food menu. There will be a band (trio members) for us to enjoy – no cover charge for us!

To help spread holiday spirit, we'll greatly appreciate if you would bring a ***new, unwrapped gift for a Teen to help support Toys for Teens*** *– we will collect during this event as well as the Membership meeting on December 8 Or if you prefer to donate $, go to https://www.toysfortots.org/donate-today/*
Don't forget to use your company matching gifts program to increase your donation. Our thanks in advance for your generosity!

We look forward to seeing you there!
